Re: Regarding Nomination

I would like to inform you that Ms. Akemi Mizuba, permanent resident of Miki city, Japan has been nominated as a coordinator of Para Olympic Committee for Nepal. She has been working for the popularization and development of the Para Taekwondo.

Ms. Mizuba will coordinate our para athletes for the Paralympic Game in Japan. We are very grateful with Ms. Mizuba for her free involvement in this association. We are hopeful her expert knowledge and experience will lead our association ahead to achieve the ultimate goal of the organization.
